Keep Morrison Morrison

GOAL: KEEP MORRISON MORRISON BY TAKING ACTIONS THAT SUPPORT MAINTAINING RESIDENTIAL MORRISON WEST OF THE HOGBACK

ACTION ITEMS:

- Disconnect the residential component of Red Rocks Centre
- Plan economic development projects East of the Hogback to expand the Town's tax

GOAL: MAKE A REASONABLE INVESTMENT IN A COMPREHENSIVE STREETScape ENVIRONMENT

ACTION ITEMS:

- Continue Downtown streetscape and beautification projects
- Develop a comprehensive maintenance plan and schedule for maintaining the improvements
- Underground power lines downtown and throughout the community

GOAL: TAKE A COMPREHENSIVE APPROACH TO IMPROVING HEALTH AND SAFETY

ACTION ITEMS:

- Move Town Maintenance Sheds out of the flood plain and expand Morrison Park
- Continue pedestrian ways safety, circulation and ADA improvements
- Develop comprehensive traffic management program
- Investigate congestion management options for Red Rocks show traffic
- Continue the development of parking solutions

GOAL: TAKE STEPS TO MAINTAIN THE HISTORIC CHARACTER OF DOWNTOWN MORRISON

ACTION ITEMS:

- Monitor the implementation of the overlay district in the historic downtown area

GOAL: IMPROVE COMMUNICATION AMONG STAFF, ADVISORY BOARDS AND THE PUBLIC

ACTION ITEMS:

- Continue the Semi-Annual Goal Setting process, build upon past communication efforts to inform more citizens and the public at large
- Maintain lines of communication to all Boards, Commissions and Ad Hoc Advisory Committees to help to align recommendations and decisions of the Boards and Commissions with the direction set by the Town Board in the Town Goals

- Enhance opportunities for public input and Town response, implement annual community survey
-

GOAL: IMPLEMENT LONG-RANGE FINANCIAL PLANNING STRATEGIES

ACTION ITEMS:

- Pursue retaining a financial advisor to develop financial and investment strategies
- Develop fiscally constrained capital improvement plan

GOAL: EXPLORE RENEWABLE ENERGY OPTIONS FOR THE COMMUNITY

ACTION ITEMS:

- Evaluate solar power options
 - Consider an energy audit for Town facilities
 - Determine the feasibility of installing electric car charging stations
 - Consider alternative fuels in future fleet purchases
 - Investigate residential and business use of the solar farm
 - Evaluate the feasibility of a hydro generator using the Towns water assets
-

TOWN BOARD GOALS ARE REVIEWED AND UPDATED SEMI-ANNUALLY AND CONSTITUTE THE FOUNDATION OF THE TOWN'S WORK PLAN
